5

Using technology in a wrong way has created bad habits and new types of addictions. It is not strange now to call someone an internet or mobile addict. Technology addicts are people with serious problems to control themselves to use different kinds of technology, especially the internet, smart phones, tablets and laptops. Technology addicts don't like to have relationships with other people; instead, they prefer to be alone and spend lots of their time working with their devices. This makes them depressed and impatient.

24. What has created new types of addictions? Technology have created new types of addictions
25. What is the best topic for the passage? بهترین عنوان برای این متن چیست؟
 a. The use of technology b. Technology and its problems
26. Being alone and spending a lot of time with our devices makes us depressed and impatient
27. It is strange to call someone a mobile addict. (True - False) (F)
28. Mobile addicts like to be alone (True - False) (T)
