1	<p>One easy way to protect wildlife is protecting the natural home of the endangered animals. When you keep nature clean and safe, the animals will live longer. Protecting the trees of forests is also helpful. If you live in a village, you need to be very careful about the hunters who come to your village to hurt animals. Whenever you see these people, you need to call the police. These are simple things, but they will help nature a lot.</p> <p>1) Keeping nature clean hurts animals. . T <input type="checkbox"/> F <input type="checkbox"/></p> <p>2) Why is protecting the trees helpful for endangered animals?</p>	10
