4 Many people are working too many hours. In this way, They don't have enough time with their families. They can't take care of things at home. They don't have time to relax. Work hours vary from one country to another. In France, people spend about 1,646 hours a year at work. In Japan, however, people work about 2,159 hours a year. That means a Japanese employee works 513 more hours a year than a French employee. That is more than 12 weeks, or three months, of extra work! Some people work extra hours because they want to earn more money. However, many companies don't pay overtime. Their employees don't get extra pay for extra work. Some people are afraid they will lose their job if they don't work extra hours. Many people say that their vacations are too short. In France, people get five weeks of paid vacation. In Germany, they get from four to six weeks. In the United States, two weeks of vacation is the average. Many people don't even use all of their vacation days. In one study in Great Britain, fewer than half of workers used all their vacation days. In English, people say, "All work and no play makes Jack a dull boy." If that is true, there are a lot of dull people in the world.

A dictionary is a collocation of words ranging from letters A-Z. When reading a story, an essay, a paragraph or even a sentence, using a dictionary is a great help. There are many advantages of using a dictionary. So, using a dictionary is important for students. The first advantage of using a dictionary is pronunciation. We can also listen to the pronunciation of the words if we use an audio dictionary. The second advantage of using a dictionary is checking out a word's right spelling. The third advantage of using it is learning a word's part of speech. **It** is one of the types into which words are divided in grammar according to their use, such as noun, verb, or adjectives.

Lastly, example sentences are mostly **available**. Seeing specific words used in a sentence can provide more context and help you better understand proper usage. However, searching words by using a dictionary takes a lot of time. By using a talking dictionary, we are able to look the words up in a few minutes.

As a result, a dictionary is a great help for everyone, especially students who are learning a language and who are interested in language learning.

39- How can a talking dictionary help us?.....

40- What is the use of example sentences?.....

41- When is a dictionary a great help for us?.....

42- What does the pronoun **(it)** in line 7 refer to ?

- a) pronunciation    b) spelling    c) part of speech    d) example sentences

43- Learning a word's part of speech help us better understand proper usage of it.
