5	Woodcarving is an art with a history that goes back thousands of years. It is a skill that takes	17			
	many years to develop, and the results are truly beautiful. Woodcarving can be found in many				
	countries around the world, and each has its own unique style and techniques. Iran is home to				
	many talented woodcarvers. There are many stores in Iran where you can buy beautiful wooden				
	objects such as bowls, picture frames, boxes, and more.				
	There are many different types of woodcarving. For example, you can find wooden statues,				
	wooden animals, and wooden furniture. Unfortunately, woodcarving is a dying art form.				
	Although it is still practiced in many countries, there are fewer and fewer people who can				
	make a living from this craft. One reason for this is that young people				
	are often more interested in other fields such as engineering and computer science.
